

5 Takeaways from last Sunday's Message: "One God, Truth, Body & Mission"

Bottom Line: In Christ, we find our identity and life's purpose.

1. God, being our One God and Jesus, being our One Lord who gives us life.
2. Being guided and learning in the truth is another component of who we are in Christ.
3. It is through the One Truth that we are apart of a new family.
4. We are One Body, we are meant to do this together.
5. Our destination is the same, our paths are different, but we are all headed to accomplish One Mission.

Prayer Challenge: I invite you to begin to pray for moments of life change to begin to happen right here within these walls, in Mt. Carmel, Wabash County, and beyond.
